

TUTORS NEEDED!

Help a student prepare for graduation and beyond

Achieve!Minneapolis has recently started its Career and College Initiative in the Minneapolis Public Schools. The Career and College Initiative works in the Minneapolis Public Schools providing a variety of opportunities for students think about and prepare for graduation and their post graduation goals.

As part of this program Achieve!Minneapolis is looking for tutors in writing, basic math, reading and science.

- Tutors will volunteer in a Minneapolis Public School or Federated Alternative School
- Tutors can work one on one with a student, in a classroom or after school
- Times can be flexible to fit your schedule
- **Use your expertise and knowledge encourage a student toward success**
